

# Denise Robinson Investigation

8/02/2022 Shivangi is asked to investigate the image file of C drive of an employee which will provide aid in investigating about Denise Robinson and Superior Bicycles company.

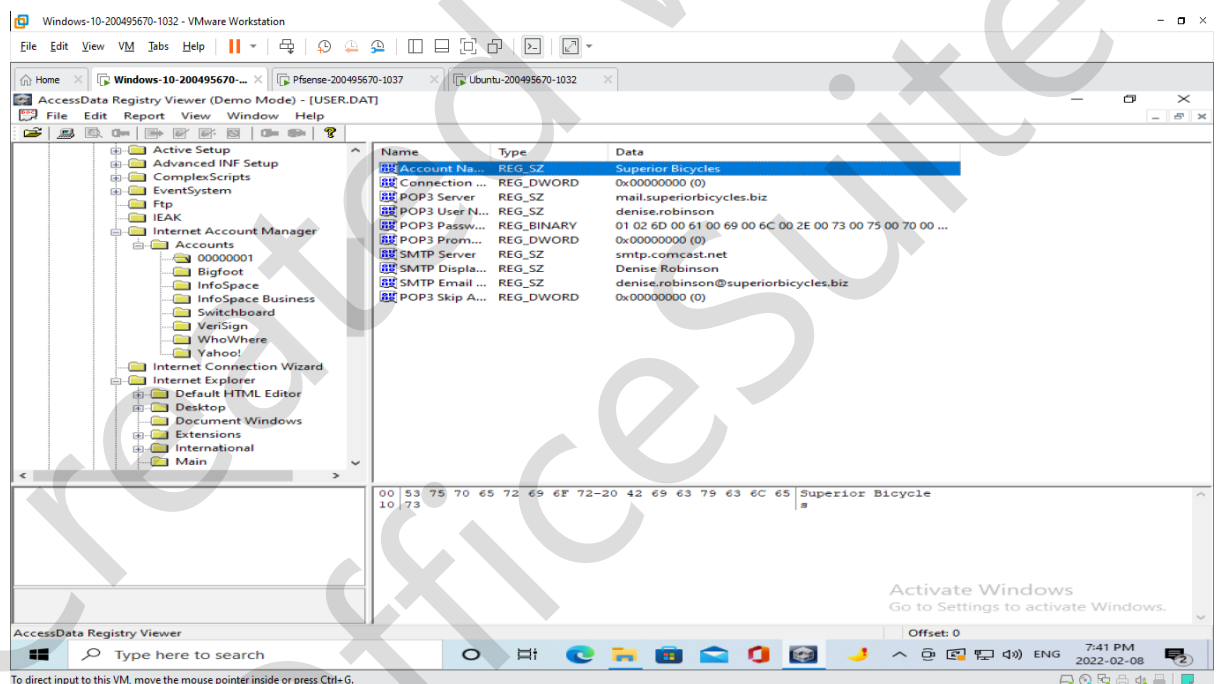

The image file consist of USER.DAT file and SYSTEM.DAT file. With the help of AccessData Registry Viewer software the registry files are examined.

The files are uploaded to the software.

The strings Superior and Denise need to be searched and the registry key along with the information is to be noted.

1. USER.DAT\DEFAULT\Software\Microsoft\Internet Account Manager\Accounts\00000001

Information in this folder.

## 2. USER.DAT\DEFAULT\Software\Sun Microsystems\setup\recycle
